ABOUT ST VINCENT'S PRIVATE HOSPITAL WERRIBEE

Opened in 2018, St Vincent's Private Hospital Werribee provides essential health services to the community of Wyndham and Melbourne's West. Our team of experienced doctors, nurses and allied health professionals ensures that you and your family receive high-quality care close to home and in the community which cares for you.

St Vincent's offers a wide range of speciality services including orthopaedics, cardiology and increasingly oncology. The growing demand for healthcare in the West has recently led to significant expansion of the services provided by St Vincent's Private Hospital Werribee.

St Vincent's Private Hospital Werribee is supported by a generous fundraising committee who come together to raise funds and build awareness of the Hospital. We thank them for their drive and commitment to health services locally.

The event will welcome 120 people to an afternoon of music, fine food and wine, and a celebration of St Vincent's Hospital. Tickets will go on sale in November 2026.

We invite you to partner with us for this key event.

Attendee Profile

INTRODUCING THE WERRIBEE FUNDRAISING COMMITTEE

"Seven years ago, there was no private hospital in the West. Thanks to your vision, your generosity and your commitment to your community, Werribee has one of the premier private hospitals in Victoria.

We think back to when the Committee began holding events to raise funds to build St Vincent's Private Hospital Werribee. All we had were pictures of a building. But that didn't matter, because people like you fell in love with the promise that great healthcare was coming to Werribee.

Businesses and donors like you supported the project because you could see what we were creating and how it would benefit you and your families.

Werribee is growing at a rapid rate. As we grow, our community gains the power to expect the best healthcare for our region, care that will benefit us all.

This is your opportunity to join us on our journey of bringing world-class healthcare to the people in the communities of Werribee and Wyndham."

Oriano Salvalaggio

Werribee Committee Chair

WITH YOUR SUPPORT WE CAN:

INTRODUCING RHIANNON KARCOUSHKAS

"I joined the Werribee Fundraising Committee, inspired by the remarkable efforts of its founding members. Alongside my committee role, I organise the Shadowfax Long Lunch, a signature fundraising initiative raising funds to support St Vincent's Private Hospital Werribee.

St Vincent's Private Hospital Werribee has progressed and developed immensely since opening in 2018 and with the continued support of the local community will continue to expand and provide the highest quality of healthcare to its patients.
