

# THE TYPE OF CARE NURSES AND MIDWIVES WANT

Robynne,  
Nurses & Midwives Health  
member

## Nurses & Midwives Health is proud to support St Vincent's Hospital

Part of the Teachers Health Group, with over 65 years' experience and covering more than **400,000** lives across Australia, Nurses & Midwives Health is health insurance for nurses, midwives and their families. And we're not for profit which means we're focused on the good stuff – like giving our members the best possible value (not payouts to shareholders).

**NURSES  
MIDWIVES  
HEALTH**

Caring for the carers

To find out more about health insurance you can trust, visit [nmhealth.com.au](http://nmhealth.com.au) or call **1300 344 000**
